A REALLY GOOD EGG

ArtEgg Studios presented the multimedia Art Eggstravaganza "ArtEgg's 10th Anniversary and Charity Concert," a fundraiser produced by **Amber Wolf** to benefit her mother, **Kimberly Wolf**, 50, who's suffering from breast cancer. Kimberly Wolf came here from Virginia with Habitat for Humanity, where she worked as a volunteer, and continued her community activism full time during the BP Gulf oil spill.

The Unnaturals New Orleans Surf Rock Band:
