

ArtEgg Rules and Responsibilities

Current as of April 2022

Welcome to ArtEgg!!!

Thank you for choosing to join the ArtEgg community. ArtEgg is a multi-use commercial building that brings together creative people, small businesses, and multidisciplinary artists. By joining us, you add richness, expertise, and have an opportunity to share your skills and interests with more than 45 community tenants, individuals, and organizations - all of whom share a commitment to cultural and environmental sustainability.

With so many talented organizations and individuals working under the same roof every day, it is very important that we all treat each other and our common work environment with respect and professionalism. You, your organization, and your guests are all responsible for your own actions. We all have a shared responsibility to observe, obey, and enforce the rules contained here.

Adhering to these rules is not only important to the continued development of our wonderful community, many of them are also critical to the health and safety of all tenants and visitors. Adhering to them is also a condition of your lease agreement. If you have any questions, or feel that you need any kind of special consideration, please feel free to reach out to us at arteggstudios@gmail.com and we can work with you on your particular situation.

We ask that if you see something, please say something. The Building Manager is available to address many of your needs and we are happy to take any question and clarify any policy. By following these few rules, and by communicating with one another, we can continue to make ArtEgg the finest collection of creatives, thinkers, organizers, and small-business owners in all New Orleans. We are glad you are here.

Sincerely,

Dr. Esther R. Dyer
Founder & Proprietor

Access to Leased Spaces

- ArtEgg management must have 24/7 access to all spaces you lease to respond to emergencies and routine maintenance. Every effort will be made to contact you before entering a space and will do our best to provide reasonable advanced notice for non-emergency situations.
- Tenants are required to use the ArtEgg provided padlock to secure their spaces. Any lock that does not comply with this policy will be removed and tenants will be charged a fee for replacing it.

Security

- Each tenant is provided one key and one RFID card. These keys and cards may not be reproduced for any reason. If you need additional keys or cards, please contact the Building Manager. Do not provide your keys to anyone who is not a tenant or employee. All keys and cards must be returned at the end of the lease.
- The key will open all common area doors and common area padlocks. The RFID card will allow access through the Broad Street entrance and through the center door on the Euphrosine Street loading dock.
- There is a key code entry call box at the Broad Street building entrance. You will be asked to provide a phone number to be used with this system. Guests will be able look up your name or business and “call” you and you will be able to “buzz” them in from your phone. We no longer issue door codes.
- All doors must always remain closed. Do not leave open doors and leave them unattended for any reason. Exception: The large door adjacent to N2N wines is open during N2N’s business hours. If the wine shop is closed the door should remain shut unless being actively used.
- The Euphrosine parking lot gate is to remain closed and locked except from 8 am to 8 pm on weekdays, and 8am to 5pm on Saturdays. Tenants may continue to use the lot outside those hours but should open and close it with exit and entry. The gate remains open anytime the N2N wineshop is open. If you are the last car leaving the lot, you are responsible for closing and locking the gate regardless of time or day.
- The large door leading from the Euphrosine loading dock leading to the side garden may be left open during the same hours as the parking lot gate. It should remain locked at all other times. If you open it, you are responsible for closing it.
- The side lot gate (accessed from Broad Street) should remain closed and locked at all times unless you are actively using it. If you open it, you are responsible for closing and locking it.
- Security is everyone’s responsibility. If you see an open door or a gate that you know should be closed, please help all of us by securing it. Do not admit anyone into the building that you do not personally know. Only tenants and their invited guests have access to the building. You are responsible for your guests’ conduct during their visit to ArtEgg.
- Please report missing locks or issues with doors and gates to the Building Manager.
- Building entrances/exits, as well as common areas, are monitored by a video recording system. If you believe there has been an incident where video evidence needs to be preserved, please contact the Building Manger immediately.
